

### League of Women Voters of Lehigh County Membership Application

Dues include membership in the local League, membership in the League of Women Voters of Pennsylvania and the League of Women Voters of the United States. Members with an email address receive the local and state newsletters, both called *The Voter*, and also receive information from LWVUS.

The local League is an all-volunteer, non-partisan organization. Our activities include publishing a bi-monthly newsletter, compiling and publishing a Voters Guide before each election in cooperation with The Morning Call newspaper, publishing an annual Government Directory, moderating candidate forums, conducting voter registration drives, sponsoring and co-sponsoring public forums on matters of topical interest, welcoming newly naturalized citizens, maintaining a website with information for citizens and voters, and holding a biennial workshop for potential candidates in municipal elections.

We meet monthly at lunchtime on the second Monday of the month, except during the summer, for a discussion with a wide variety of noteworthy local people about issues affecting our community.

Annual membership dues for 2021:

- Individual membership – \$70/year or \$35 if you join after July 31
- Two adult household membership – \$105/year or \$52 if you join after July 31
- Young adult membership (under 35) – \$35/year
- Student membership (full or part time student of an accredited institution) – \$25/year

Members must be at least sixteen years of age.
