

Voting Rights Script - President Biden
Call (202)456-1111

Good (Morning, Afternoon).

My name is _____ .

I am a resident of Lehigh County, Pennsylvania.

I am a member of the League of Women Voters of Lehigh County. (if desired)

The preservation of voting rights for **all** American citizens is vitally important ...

1. to end or curb egregious gerrymandering (already taking place)
2. to restore the Voting Rights Act to its original form
3. to remove big money from politics/campaigning

***Focus on 1 or 2 provisions mentioned in the flyer with a personal observation/connection.**

As a person with a disability the option to vote by mail has made a huge difference in my ability to participate independently in elections.

I work long shifts and early voting means no conflicts.
I can vote and support my family.

I am asking that President Biden use the full power of the presidency to ensure passage of federal voting rights legislation.

Thank you,
